

# REGISTRATION SUMMER CAMP

We are so excited about this year's ~~summer~~ summer camp!! We are hoping for some great summer weather, fun times with good friends and a collection of special activities. This year we are hoping for the opportunity and weather to do items like science trips, corn mazes, laser/sports games, water parks, animals, camping days, etc. offsite with our group. In past health or new government restrictions, weather or no available bookings have prohibited certain activities. If this occurs, we have great backups and we have done many onsite specials like the laser tag course, bouncy castles, mobile escape games, bike, hike, skate or scooter trips, mad science and/or water days.

## This year's camp includes:

**Daily** – Groups move thru our activity areas inside and outside the LBCA including active group games & sports, community/nature activities, music & media, construction and drama, art & science, games room and life skill programming.

**Weekly** – 2 larger time activities weekly on Tuesday/Thursdays including off-site activities (PreK camp activities will be onsite and in immediate neighborhood), special guests, extended nature/community items like hike, bike, scooter or skate activities, water activity day, interest activities or club days, Thursday special field trips (\$10)

**Monthly** – Friday fun lunch (posted dates) or family special events /guests dependent on restrictions

**Hours and Pickup/drop off:** **7:00 – 5:30 pm**  
**PreK camp** (3-5 yrs) under 4 hr 8am -11:30 AM **\$125.00/5 day wk**  
(weeks with fewer days due to closures will be prorated) – includes all onsite activities– (less preschool subsidy and less \$75 monthly grant)  
**School age camp** (completed Kinder to grade 6) **\$220/5 day wk**  
(weeks with fewer days due to closures will be prorated) – includes all onsite and offsite activities - (less subsidy and less monthly kinder grant)

Planned activities on or offsite start in all programs at **9 am - 3:30 pm** please arrange drop off and pick up considering those times or ask your camp leader for where you will be able to pick up your child. We will try to accommodate requests to have siblings/friends stay together but we do not move a younger child into an older group. In these instances, please ensure that the older child understands that they will be in the younger group.
